

JOB DESCRIPTION FOR A CORPORATE AND TRANSACTIONAL LAWYER IN INDIA.

Job Description	+	Impact Law Ventures is looking to hire a corporate and transactional lawyer qualified to practice under Indian law.
	+	A candidate for this position should aspire to work with clients in the start-up, sustainable development, social enterprise and impact investment sectors.
	+	The position is available as a legal associate or senior associate or equity partner depending on aspirations, skill-sets, prior experience and level of commitment of the candidate.
About Us	+	Impact Law Ventures is a mission-driven, start-up law practice based in New Delhi, India and founded in early 2011 by Pankaj Jain for providing affordable access to legal counsel benefitting certain defined Target Audience.
	+	Its service offerings are primarily at the intersection of start-up, sustainable development, social enterprise and impact investment sectors, designed to help clients wade through laws that were not originally designed with them in mind.
	+	We are also developing an international network of like-minded lawyers with whom we collaborate to provide high quality legal services at affordable prices to the Target Audience across borders.
Target Audience	+	Start-ups, small and growing businesses, with a special emphasis on women entrepreneurs.
	+	Social business enterprises and impact investors.
	+	Mission-driven and non-profit organizations.
Practice Areas	+	Corporate and foreign investment laws.
	+	Laws governing non-profit organizations.
	+	Venture capital & private equity.
Requirements	+	At least 2 years of post qualification experience as a lawyer in India. Prior expertise is required in at least half of the Practice Areas listed above and preferably working with a top-tier Indian law firm.
	+	Commitment to accuracy, attention to detail and follow-through.
	+	Demonstrable interest in and passion for social issues with a dedication to working within the development sector in India, given the sector's inherent challenges.
	+	Strong academic record with a willingness to learn and proficiency in research and communication.
	+	Should be entrepreneurial and self-starter in nature. Patient and willing to work in a start-up work environment with perseverance.
	+	Position is based in New Delhi, India with moderate amount of travel. Desire to work on a remote basis will be actively considered.
Job Benefits	+	Fulfilling role of working with Indian and international clients in the start-up, sustainable development, social enterprise and impact investment sectors to bring about the change we wish to see in the world as a corporate and transactional lawyer.
	+	Working with clients on cutting edge areas of innovative businesses and sustainable development. We work with various ventures that are targeting issues related to extreme poverty.
	+	Flexible and tailor-made working hours based on requirements.
	+	Competitive compensation package based on candidate profile with profit-share arrangements.
